

**Stockholm Visual Anthropology Competition!**  
**Deadline: May 16**

Do you want to exhibit your photographs from the field? This is your chance. We have 45 m empty corridor walls and 10,000 SEK\* to award to the winning proposal. The competition is open to all students and faculty members in the department.

If you are interested, we need a **short description** of your project – what kind of images and how you would like to exhibit them (number of images, size and how they will be produced and hung), a **budget** (for printing and framing) and a **few sample images** (maximum 5, in JPEG format, and not more than 10 MB). The winner will receive 10,000 SEK which should cover the cost to produce the exhibition.

We look forward to creative projects that bring out the potential of photography in anthropology! Once the winner has been selected by a panel of members of staff, he or she will put together the exhibition which will open when the autumn term starts in late August 2014.
